Stan Chin

Creative Director / Anomaly

Stan Chin makes things. Since its early years, he has been making things at Anomaly. Although born digital, he was raised creative and intimately weaves strategy, storytelling, and product innovation to provide an unique prospective in every step of delivering groundbreaking work. Prior to joining Anomaly, Stan mentored under a shaolin monk, better known as "The Iron Leg," in the backwoods of Alabama. He is frequently available for both beta and taste testing for tech and restaurant startups.
