Danny Gregory was born in London, grew up in Pakistan, Australia, and Israel, is a graduate of Princeton University. He lives in Greenwich Village, NYC. Danny spent three decades as one of New York’s leading advertising creative directors and has created award-winning, global campaigns for clients like Chase, JPMorgan, American Express, IBM, Burger King, Ford, Chevron and many others. He was most recently Managing Partner/Executive Creative Director, mcgarrybowen.

Danny has written several internationally best-selling books on art and creativity and is currently writing his eighth. His illustrations have appeared in the New York Times and many other publications and books. He is the founder of Sketchbook Skool, the first online school dedicated to illustrated journaling.

In his books, workshops, lectures and in the several large online communities he oversees, Danny has shown thousands of people how to ignite their inner artists, embrace their creativity and tell the stories of their lives.

Topic / Shut your Monkey!

Descriptor / How to deal with that critical voice in your head and get back to making great work. Practical tips, hilarious stories, pretty pictures.
